Midnight marathon held

Drumbeats and loud cheering filled the air at KTPO, Whitefield as thousands ran to show their love for the city at a midnight marathon on Saturday night. The 7th edition of the midnight marathon, titled 'SBI Bengaluru Midnight Marathon 2013', organised by Rotary Bangalore IT Corridor (RBITC) was flagged off on Saturday night/Sunday early morning amid a highly charged atmosphere. More than 10,000 runners—young, old and children—took part in the event with great fervour. More than 150 athletes from the Armed forces participated in the event.
